- Solid balance sheet with robust liquidity, high capital adequacy, and low leverage.
- Disbursement of US\$ 34.6 million, up 300% Y/Y led by MSME Gold & FLDG backed loans.
- Number of new borrowers added in the quarter up over 10x Y/Y showcasing material scale.
- This translates to 10.4x increase in total borrower count to almost ~24k customers.
- Profit before tax growth of 241% Y/Y led by robust interest income growth of 350% and total revenue growth of 285%.
- Operating leverage starting to play out from early branch build-out and technology advancements in the last 24 months.

Dhanvarsha is a Rapidly Growing Lending Business

AUM (US\$ Mn)

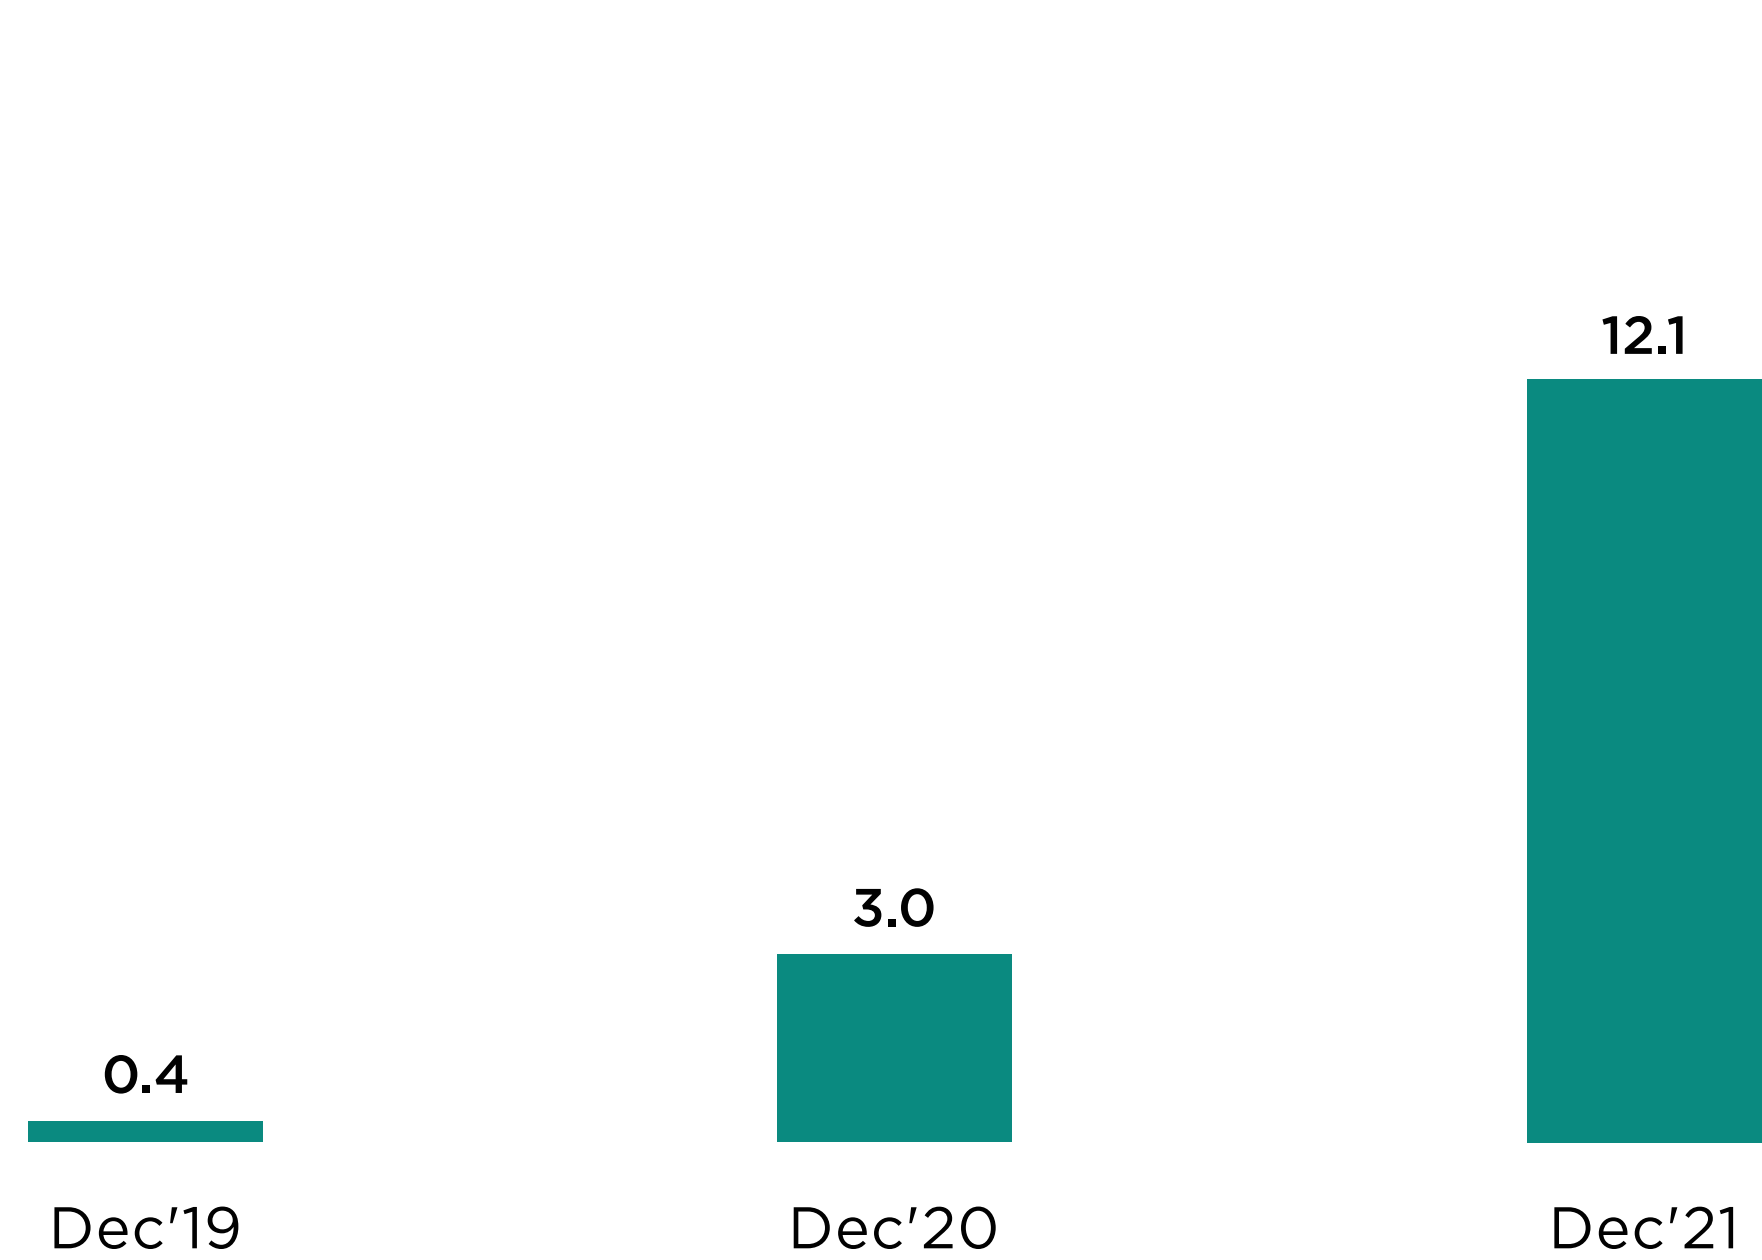

- Strong traction in MSME Business and Gold loans with first full quarter of co-lending partnership with CBOI.
- Cautious approach to unsecured MSME Business loans keeping in mind stress arising from impending threats from Omicron-variant.
- The proportion of LAP & Personal loans will continue to decline in future periods given emphasis on MSME Gold and Business loans.

GNPA and NNPA are reported on 90+ days

- As per recently released RBI Scaled Based Regulation (SBR) for NBFC's in the month of Oct'21, institutions in the base layer are expected to comply with 90+day NPA recognition norms in a phased manner until March 2026.
- ***Dhanvarsha Board and Management have taken a conservative call to comply with 90+ day NPA recognition norms from September 2021 and restated prior periods.**
- It is important to note that 55% of total GNPA's of 2.95% are coming from 8 legacy LAP loans that were originated between Sept 2017-Sept 2018.
- Excluding LAP loans which are in run-off mode, Gross NPAs would be 1.32% & NNPA is 0.36%.
- Company expects continued recoveries from LAP accounts of 2017-2018 vintage.
- Collections have been robust due to our focus on gold loans and MSME 'essential goods' businesses and customers.

**Includes repayments and prepayments for the quarter, the majority of which comes from gold loans.

- Collection efficiency exceeds 100% after considering pre-payments & foreclosures on the gold loan book.
- It's important to note that pre-payments & foreclosures is a regular feature in the gold loan business and customers endeavor to repay ahead of time to release the asset.
- Experienced in-house collection management team comprising specialized legal resources and tele-callers.
- Wide network of arbitrators and empaneled lawyers with expertise in loan recovery to manage the portfolio collection efficiency.

L-a-a-S: Partnerships in Play

Central Bank of India & More

The company has partnered with Central Bank of India in Madhya Pradesh for Co-lending of up to US\$ 13.4 million to MSME Gold loan customers.

The company has recently also partnered with EZ Capital for co-lending in Delhi NCR to gold loan customers.

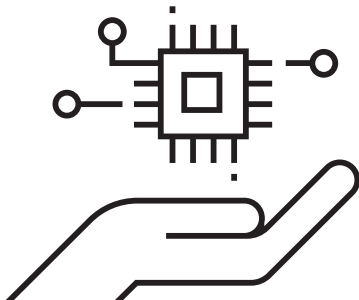

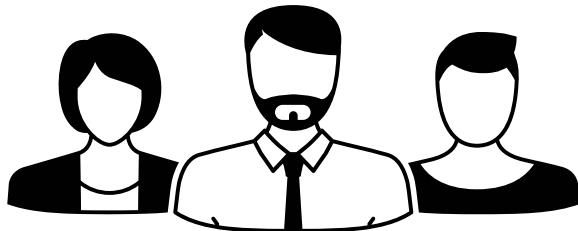

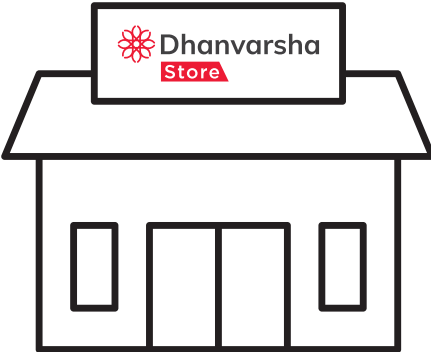

Under these partnerships, Dhanvarsha will originate, service and collect MSME gold loans and will retain 5 - 20% of loan balances on its balance sheet. This will enable substantial scale up of AUM with capital efficiency for the company.

These partnerships offer customized solutions and a superior experience to the underbanked and underserved MSME customers.

Physical Presence Across 7 Key Markets in India...

India's overall formal gold financing penetration is ~10% with penetration in the western and northern states being even lower.

However, the above two markets together hold ~45% of the gold in the country.

Similarly, the states of Maharashtra, Gujarat, Haryana and Delhi-NCR comprise 35% of MSME enterprises*

The Experiential Centres are located in these geographies which are the hub of micro and small enterprise units

Experiential centers & *Door - Step Disbursement*

The company through ‘experiential centers’ and digitally optimized ‘door-step disbursement’ offers a superior value proposition to customers in MSME gold financing.

The company has disbursed more than US\$ 20.2 million of gold loans through experiential centers since August 2020.

The company had 34 experiential centers and is expanding aggressively in Madhya Pradesh, Maharashtra & Delhi-NCR to cater to highly profitable co-lending partnerships with large lenders.

We believe the company is poised for an average of *US\$ 67.1k to US\$ 94.0k of gold loan disbursement per center per month.
